

## **ALLAN POWER DIVE TOURS**

Vanuatu- January 2006

### **SANTO HAS MORE THAN JUST THE COOLIDGE !**

By mixing a trip up with other wrecks, reef dives and tours and by putting full itineraries together we believe will add more interest and excitement to an overseas trip especially for those with a non diving partner. We now have 8 full time guides all with vast experience with diving with novice, photographers and technical divers so what ever level of diver comes on your trip you can be assured they will be looked after safely.
